

# Les Paul Custom Figured Top

*Modern Les Paul tone with traditional craft and exceptional looks.*

The gutsy, modern tone of today's Les Paul meets the enhanced sustain of vintage long neck-tenon construction in this beautifully finished Limited Run of figured top Les Paul Customs. The balanced, powerful tone of a matched set of 490R/498T humbucking pickups retain the voice that's earned the Les Paul Custom its place as a stage and recording legend, while the multi-layer binding and subtle details retain the upscale look that makes the Custom an instantly recognizable classic.
