

Neon Modern Les Paul Axxess Custom

Hard to miss...easy to love!

Gibson Custom's "Axxess" Les Paul series received a small makeover for 2017 with the inclusion of the Apex headstock for added strength, completely redesigned back contours for added comfort and a new model name -- the Modern Axxess. But for players who want some eye-catching stage flair on top of professional-grade playability, these five wild neon colors are just the ticket.
