

# SG Standard Maple Top

*Maple top tone with an SG feel and refined look.*

The Limited Run SG Maple Top adds a crisp new layer of tone over the traditional SG solid mahogany body thanks to its quality 2-piece maple top. The fast play of the '60s-inspired slim C-shape neck remains intact as does the SG's renowned balance, while a faux tortoise pickguard and deep, dark cherry finish refresh the sharp lines and curves of one of Gibson's most played guitars.
