

Les Paul Custom Boogie Van

Custom Jamming meets Custom Vanning

In the late 1970s, the Custom Van craze defined automotive culture in the same way the Gibson Les Paul Custom defined the sound of rock music. And both the Street Vans and the Les Pauls of the 1970s have seen a resurgence in popularity over the past few years, prompting this fun mash-up -- the Les Paul Custom “Boogie Van.” Each guitar features unique three-tone paint schemes, custom chrome hardware, a 1970s-style three piece maple neck, underwound Super ‘74 humbuckers, and a hot-stamped truss rod cover with “Boogie Van” artwork.

Specs

Series	Gibson Custom Limited Edition
Body	
Body Style	Les Paul
Back	Solid Mahogany
Top	2 Piece Maple Top
Weight relief	n/a
Neck	
Neck	3-piece maple, Long Tenon, 70s Volute
