

Modern Archtop

A Reimagined Gibson Archtop

Taking cues from classic Gibson archtops made nearly a century ago, this unique full-scale archtop uses modern construction elements while retaining a full, classic voice. It features a completely new, sleek design, a solid carved 15"-wide mahogany body, a tapered Apex headstock, and a one-piece carved spruce top with built-in braces. It is extremely resonant, lightweight and versatile and comes in two sophisticated color options. Don't miss this modern masterpiece!
