

ES-335 High Performance

The Cutting-Edge ES-335 HP

The 2018 Gibson ES-335 High Performance partners our classic designs with our ground-breaking innovations. Created for the forward-thinking player, this guitar features our G-Force tuners, adjustable titanium nut with zero fret, locking ABR-1 bridge with titanium saddles, and a locking die-cast zinc stop bar. Limitless tonal capabilities are on tap thanks to a revolutionary HP control assembly that features 4 push-pull pots with DIP switch for over 150 reversible instant rewiring options.
