

Les Paul Standard HP-II 2018

Next Generation of Looks, Tone and Playability

The Les Paul Standard HP-II retains popular features, including comfortable asymmetrical Slim Taper neck profile, while enhancing the experience with upgraded takes on the hallowed PAF humbucking pickups and a AAA+ figured maple top with high-end appointments. The HP-II model delivers cutting-edge innovations for the forward-looking player including Ultra-Modern weight relief with belly scarf, fast-access heel, soloist neck width, and titanium adjustable zero-fret nut and saddles. Exceptional sonic tonal variety provided by 4 push-pull pots with DIP switch for over 150 reversible instant rewiring options.
