

SG Junior

Vintage looks and tones, modern playability

An essential favorite, the special edition SG Junior guitar delivers vintage looks and tones with improved modern playability. The iconic double-cutaway body in solid mahogany and a mahogany neck with SlimTaper profile accompany period-inspired appointments including the Gibson historic script logo on the headstock. A Vintage Cherry finish highlights the historic looks, while a nickel wraparound bridge and single dog-ear P-90 pickup drive rich and powerful tones.
