

# SG Standard HP 2018

Next Generation SG

The SG Standard HP is a classic SG double-cutaway style guitar with the new twist of an elegant AA figured maple top added to the traditional solid-mahogany body and neck. Featuring advanced materials including titanium adjustable zero fret nut and bridge saddles for improved performance, next-gen Gibson G FORCE™ tuners, frets over binding, soloist neck width, and fast-access heel. Immense tones are driven by two hum-bucking pickups with DIP switch and 2 push-pull top hats, appointed with eye-catching chrome knobs. A slightly thicker body provides for more precise weight offset and overall improved balance in the guitar.

## Specs

Series	Gibson Model Year 2018
Body	
Body Style	SG Standard HP
Body	Mahogany
Top	AA Figured Maple
Weight relief	N/a
Binding	None
Neck	
Neck	Mahogany
